Government vide reference first read above, issued procurement policy for the Kharif Marketing Season 2014-15.

2. It was mentioned at para-16 and 17, that the APSCSCL will retain the CMR raw rice from out of the paddy purchased by the APSCSCL for PDS as was done in the previous year and deliver the CMR boiled rice to the FCI for central pool, and the FCI may make arrangements for procurement of boiled rice required for other states.

3. Due to reduction of mill levy to 25% this year and due to operational constraints in procurement of paddy in large scale by the AP SCSCSCL due to severe shortage of manpower, particularly technical and quality control staff, shortage of infrastructure, storage space, funds etc., the GOI and the Chairman & Managing Director, FCI were requested to permit delivery of CMR raw rice in the seven non-DCP districts to the FCI apart from the levy raw rice and boiled rice and the State Govt. will undertake procurement of paddy in all the districts and resultant CMR raw rice will be retained in 6 DCP districts only. The State Govt. would also procure raw rice under levy operation in the 6 DCP districts. In the remaining 7 non-DCP districts, both raw and boiled rice, under CMR and levy operations will be delivered to the FCI.

4. An amendment to that extent was also made in the MoU for KMS 2014-15.

5. In view of the above, the GOI instructed to make amendments in policy G.O.Ms.No.23 dt.25.11.2014 with reference to the amended MOU
